

Sharpe Decisions Inc. Newsletter

March – April 2007

ANNOUNCEMENTS

NEW RELEASE

A new release of Sharpe Decisions Executive Workshop is being shipped in the next two weeks!

We have updated Klikapad Drivers, for those of you using Klikapad keypads and receivers and have also fixed a bug we found in the previous release.

PLEASE NOTE: Uninstall all other versions of Sharpe Decisions Executive Workshop BEFORE loading the new version on your computer. An error will appear if you do not follow this process.

Remember, we like to hear from you regarding your voting software needs, so if you have any suggestions regarding future Executive Workshop features, please pass them onto us.

You, our clients, are our first priority!
